NovaMart Customer Survey Report

Prepared by DAVA – Clarity from Chaos – Data insights, beautifully delivered.

Key Insights:

- 72% of customers rated their satisfaction 4 or above.
- The top 3 reasons for satisfaction: product quality, fast delivery, and price fairness.
- Main improvement area: customer support response time.

Recommendations:

- Automate response workflows for customer support.
- Introduce loyalty rewards for repeat buyers.
- Maintain product quality while managing operational costs.
